½ Acre Property

Casa de Bienestar is a single level colonial style home. The main house features 25 foot vaulted Guanacaste wood ceilings and sliding wood doors for a completely open feeling. The property is situated on a ½ acre parcel with a privacy wall around its perimeter providing the utmost in seclusion and security. The pool and Jacuzzi can be accessed by the pathways that connect the main house to the back yard where you will find cover patios, a fire pit and lush landscaping. Additional outdoor amenities and features include a gazebo, a storage room/bodega, lots of fruit trees such as guanabana, mango, lemon and passion fruit. The large yard has plenty of space with added stone pathways and tropical gardens. The outdoor living areas include a 1260 sq. ft. covered patio complete with a BBQ, a wet bar and a bathroom. With covered parking for 4 cars, this home is ready for a large family or a tourism business. Casa de Bienestar means "House of Wellness". This can be your ultimate vacation destination or retreat concept. With room to expand, this property would also make a great bed and breakfast facility.
